

MICATA

New Membership Application Form

Welcome to the

Mid-America Chapter of the American Translators Association!

Some Benefits of Membership

- Professional Development: Members have the opportunity to connect with others in their field and to participate in continuing education through programs and study groups. MICATA also hosts an ATA certification exam generally once a year.
- Online Directory: Members may elect to have their contact information and the languages in which they work listed online at no charge.
- Newsletter: We are reviving the MICATA Monitor, our periodic newsletter, and MICATA Newsbriefs by e-mail to keep members informed about translation and interpreting issues.
- Annual Symposium: MICATA holds an annual educational and networking symposium. Earn ATA continuing education points to renew your ATA membership.
- We offer Fora Linguarum at different times through the year for members to translate a similar text in their language of expertise and then compare and contrast translations among language groups.
- We encourage translators, interpreters and language professionals to join!

Please accept my MICATA membership:

- Corporate/Institution \$60
 Individual \$20
 Household \$25
(2 or more members at one address)

Please return application together with your check made out to MICATA.

MICATA
P.O. Box 144
Shawnee Mission, KS 66201

Thanks!
